- V. 1. f2 ♖c2+ 2. ♗f3 ♖f5#
- VI. 1. e2 ♖h4+ 2. ♗e3 ♖b3#

Three pairs of solutions based in the first four solutions on free squares d4, f5. In the first pair Zilahi with antibattery mates and self-block of one of thematic squares. In the second pair black FML moves with double unguard of mating lines and guards of thematic squares in W1 and W2. In the third pair black FML moves and reappearance of the mating moves as W1.
