For FIDE Album 2016- 2018

Remark Judge: A harmonious problem with a promotion dual avoidance , only after white's last move it becomes evident why the problem opens with a minor, and not a queen, promotion.

Black under-promotions with dual avoidance: the promoted pieces pin the white rook and knight respectively, and non-pinned piece forces the mate.

Remark : White /Black rundlaufft motivated by line clearances (PE)

Remark judge: A combination of white knight and black bishop rundluf. Both closed routes have a similar goal: open the action-lines of the enemy pieces. So, the white knight opens line of the black black-square bishop twice (it is this motive that determines the direction of rotation) and once the white-square one. And the black traveler removes interfering white pawns from the line on which the white bishop takes control of the g1 square.
